Sir

With reference to your docket No 4766 & 61 of the 22d instant, I have the honour to forward herewith two Proposition Statements for the Sanscrit School at Malcottah and the 3d Class English School at Yellandore — I have used the ordinary forms of Proposition Statement, and not those supplied for Grant-in-aid Schools In fact we have none of the latter in Canarese and there is no one at Malcottah who could fill up an English form with the required particulars

		Gulsun ulvor is a pughur belonging to the descendants of the celebrated Pilgeeah who so successfully administered the affairs of Mysore during the minority of His Highness the Rajah The inhabitants have repeatedly petitioned for the establishment of a Anglo Canarese School, and it has been decided that half the cost (Rs 25) shall be defrayed from the revenues of the pughur, the other moiety being charged to the Mysore Govt The attendance is about 50 and all pay a fee of 4 annas each	The proposal in favour of the measure appears to be reasonable, it will not be attended with any additional expence 25 June 1832

In reply with reference to your letter No 919 of the 23rd instant and previous correspondence on the subject of the establishment of a 3 Upper English vernacular School at Gollundoon I am directed by the Comr Estate that as the Inhabitants are Moors and the income of the Estate is large, he does not see why it should not bear the whole expense, he therefore considers it unnecessary to address the Govt in the matter - Your proposition should be brought to Government -

2 The Moors are entertained by the Comr in regard to the Gollundoon School will I am directed to add be duly communicated to the Dept of Instruction, but he thinks it should be inspected by the Officers of the Educational Dept
